My Visit to Nixon Park

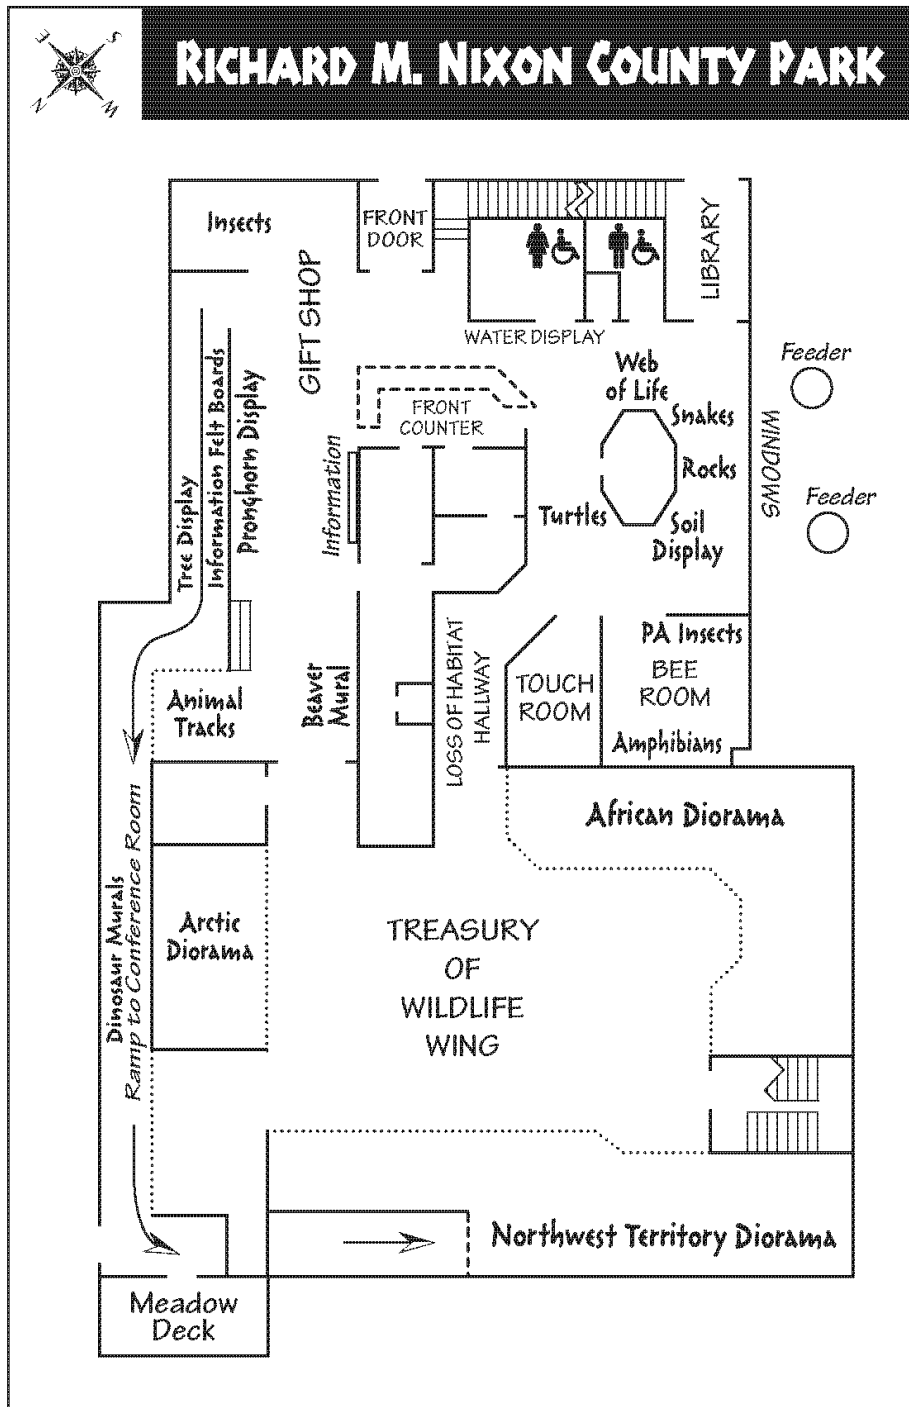

My Name

1st-3rd grades

*To be completed
with adult assistance.*

Floor Plan of the Nature Center

ABC...

Upper Ramp Letter Wall

Look at the large letters on the walls along the ramp. What animal starts with:

D

F

R

S

Z

Beavers: Nature's Builders

Touch the beaver's
fur. How does it feel?

Look at the beaver's tail.
What shape is it?

Look at the beaver's feet.
What other animal have feet
like this?

Look at the picture of the
lodge. What is it
made of?

Insects (near the front door)

Where in the world were
the insects collected?
(circle the answers)

South America Asia
Arctic North America Australia
Africa Central America

What letter does the
African millipede look like?

How many legs do
insects have?

Write a sentence about the
butterfly you like the best.

Water Display (near the restrooms)

Circle ways to conserve water

Keep a pitcher of drinking water in the refrigerator

Turn water off while brushing teeth and washing hands

Water plants during the afternoon

Take long showers over 5 minutes

The water meter measures how much water is used each day at Nixon Park.

How much water was used yesterday?

_____ GAL

How much water has been used today?

_____ GAL

What is your favorite thing in the room?

Explore, and have fun!

Amphibians

True and False Questions: Circle T for true or F for false.

T F Amphibians have claws and scales.

T F Most amphibians have smooth, moist skin.

T F Snakes are amphibians.

Circle the animals below that are amphibians.

Snakes & Window Area

What do snakes eat? _____

Circle the snake(s) that can be found living in Pennsylvania in the wild.

Corn Snake

Boa Constrictor
